Volunteer Commitment

You choose when you are available to volunteer, but it can be any day or evening of the week. You need to let us know your availability in advance.

Description

You will be providing a personal service to elderly or vulnerable people who need transport to doctors, dentists, hospitals, shopping, hairdressers or visiting friends. The scheme provides not only low cost transport but essential human contact and an important level of pastoral support for vulnerable and isolated individuals of all ages. Using your own car, you will provide essential door to door transport for passengers identified as having difficulty in using public transport. You will be reimbursed for your fuel costs at 45p per mile.

Skills & Qualifications Required

Valid Driving Licence, MOT and Insurance
CRB Check (we will organise it – there will be no cost)
Keep up to date with all changes to the Highway Code and road traffic legislation.
Be self motivated and sensitive to the needs of passengers.

Health & Safety Policy

Work within the guidelines of Christ Church Stamford Transport Scheme Health and Policy procedures.
